Dear friends,

There are two ways to help the people of Russia. You can buy an airplane ticket, book a hotel, go, meet a few local people, determine their needs, and figure out how to get assistance to them. Or you can give your faith gift to Moscow Ministries. We will ensure that your contribution gets into the hands of needy Christian Muscovites.

It took \$8 trillion dollars to bring down the former Soviet Empire. That money could have been used to build 30,188,680 houses valued at \$265,000 each. Today, it will only take \$100 per month to bring revival to Moscow.

Here is where your contribution goes... Toward the purchase of a new worship center for Moscow Full Gospel Church. Toward the care of needy orphans. Toward renovations at Moscow Christian Drug Rehab Center. Please prayerfully consider giving generously today.

There are many, many abandoned children in Moscow. These unfortunate children usually end up in orphanages. The need is so great that most orphanages lack basic supplies from month to month. Orphanages are a rich ground for evangelism and for aiding the poorest Russians. Often times the caretakers of these innocent children don't even get paid. Would you like to help bring care, comfort, plus the gospel message to one of these orphanages? Your assistance will ensure that these needy children hear the good news of Jesus Christ and have a chance to receive eternal life.

With the explosive growth of Christianity in Russia, baptisms at Moscow Full Gospel Church are frequent. There is a dire need for bibles and study guides to train so many new Christians. Church services are held on the *fourth floor* of a public community center that has no elevator. The stairs are too steep for most elderly people to climb. At any time this congregation could lose the right to hold services here. Would you like to help Moscow Full Gospel Church construct a more suitable building where all members can worship freely? Your prayerful and generous giving will also impact other outreach ministries affiliated within the church, including work in orphanages, drug rehab and a new seminary.

Moscow Christian Drug Rehab Center (above) is in dire need of your assistance. It is currently located in a dilapidated "summer house." Rent is \$120 per month. Male and female residents draw water from a local well. They live on beans, potatoes, beets and other donated foods. Indoor plumbing is currently non-existent, and toilet facilities can be found about 50 feet away in an unheated outhouse. Your generous gift will make an enormous difference to the needy residents.
